

REMARKS

The present application includes claims 1-91, all of which were rejected pursuant to 35 U.S.C. §112. The Examiner contends that there is an undue multiplicity of claims.

In response, the rejection is respectfully traversed: a multiplicity rejection has not been properly made out because the rejection contains no consideration of differences among the claims. However, in the interest of cooperating with the Examiner to expedite prosecution, please cancel claims 30-91 without prejudice.

It is respectfully submitted that the rejection of record has been overcome and that the application is in condition for allowance.
